

# BUILDING FORTH AS ONE

SHRADER & MARTINEZ  
CONSTRUCTION

REMODEL, REPAIR  
AND MAINTENANCE

**Effective January 1, 2025**, Elder-Jones and Shrader & Martinez Construction will merge operations and will entirely become Elder-Jones. The expanded operation will benefit customers through standardized operations, additional capacity and increased resources. RRAM Services, offering remodels, repairs, and maintenance, will become part of the new Elder-Jones as well, allowing us to provide even more services.

## BRINGING YOU THE BEST OF THE BEST

We look forward to this new era of Elder-Jones, taking the best of two legacy retail construction companies and joining as one. The two companies have a combined 85+ years in the retail construction industry and shared ownership since 2018, but have been maintained as separate entities. These six years of shared ownership have allowed us to understand the best elements of both companies, and now is the time to implement them into one organization.

## CREATING STRONGER NATIONWIDE PRESENCE

Maintaining the Elder-Jones headquarters in Bloomington, MN, and adding the Shrader & Martinez office in Sedona, AZ, will create a stronger presence for Elder-Jones in the western half of the United States.

## ENSURING A SEAMLESS TRANSITION

We are committed to ensuring a seamless transition and will be contacting all existing Shrader & Martinez customers individually to discuss specifics of the change. Thanks for your business, and we look forward to working with you going forward.

Elder-Jones  
GENERAL CONTRACTOR

# RRAM

REMODEL, REPAIR & MAINTENANCE

RETAIL | RESTAURANTS | FINANCIAL FACILITIES  
MEDICAL OFFICES | WAREHOUSES  
HOSPITALITY | OFFICES

**RRAM Services, a division of Shrader & Martinez Construction, will become part of the new Elder-Jones,**

allowing us to provide commercial remodeling, preventative maintenance, and repair services (including emergency repairs) for clients across the United States and in Canada. Since 1988, our success has been based on our unwavering and guaranteed commitment to quality and timely outcomes.

Contact us for single repairs, refresh programs, rollouts, remodels, and maintenance plans. We can also provide solutions, coordination, and management of work for multi-site facilities.
